

# BULLETPPOINTS

Ricochet Theatre presents an evening of new writing at **Greenwich Theatre**. Six wonderful writers tell a range of compelling stories, directed and performed by exciting emerging artists from across the UK.

## ABOUT BULLETPPOINTS

Bulletpoints is Ricochet Theatre's flagship writing showcase connecting emerging playwrights to a creative team to stage a 10 minute performance of new writing. So far we have had over 250 script submissions, staged 25 scripts, and involved over 90 emerging theatremakers. Bulletpoints creates opportunities and we are unique in providing feedback to all applicants.

## ABOUT RICOCHET

Ricochet creates meticulously crafted text-based work that finds new perspectives on familiar stories and ideas. We believe rehearsals should be full of play, collaboration and questions. We treat failure as an opportunity for discovery, and centre wellbeing and anti-oppressive practices to produce work that is compassionate, decisive and playful.
